HISTORY:

Ballroom Dancing lessons have been offered to our Grade 11's for over 20 years. Initially these took place with DGC girls and now with the Grade 11's of St Marys. This is one of the most popular clubs at the College with on average over seventy boys signing every year.

CONTENT:

Quickstep, Cha Cha, Waltz and Salsa are some of the dances taught.

SKILLS DEVELOPED:

The boys are taught how to interact with young ladies in a formal setting. This is perhaps as important, if not more important, than learning the actual dance steps.

HIGHLIGHTS OF THE YEAR:

The boys are required to demonstrate their newly acquired skills at their Grade 11 & 12 dances.
