

# FILMING & EDITING CLUBS

**CONVENOR:**

Paula Isaac

**CONTACT:**

[pisaac@kearsney.com](mailto:pisaac@kearsney.com)

**HISTORY:**

Initiated by Mrs Isaac in 1995 this club has played a pivotal role in recording productions, choir performances and sports events since its inception. Old boys often contact us for copies of past recordings made. Recently we were able to post a dvd of the superb production of "Chess" recorded in 1996 to an old boy in London. Club members have accompanied overseas sports and choir tours to record their games and performances respectively and then go on to produce tour dvds for the boys.

**CONTENT:**

Members learn advanced settings in Pinnacle Studio to download and edit footage. This is all collated and incorporated into a number of dvds. All first team rugby matches are videoed and distributed as well as in-house productions of inter-house competitions, choir performances, school plays etc.

**SKILLS DEVELOPED:**

Video filming & editing skills.

**HIGHLIGHTS OF THE YEAR:**

Club members are involved in producing the annual video highlights dvd.
