

CHESS CLUB

CONVENOR:

Mr Ndaba

CONTACT:

bndaba@kearsney.com

HISTORY:

Chess has been a recognised club at Kearsney for over 20 years. Boys in grade 11 or 12 who have excelled at this activity may be eligible for school colours (please refer to the Awards Criteria).

CONTENT:

The club meets every Monday where boys are given the opportunity to play in friendly games as well as a number of formal matches. A number of fixtures are arranged with other schools where possible. A coach is on hand weekly to provide boys, no matter their skill level, with assistance and tips.

SKILLS DEVELOPED:

Chess is a game for boys of all ages

Chess develops memory

Chess improves concentration

Chess develops logical thinking

Chess promotes imagination and creativity

Chess teaches independence

Chess develops the capability to predict and foresee consequences of actions

Chess inspires self-motivation
