Surf Club is offered on most Friday afternoons. It is aimed at providing serious body boarders and surfers the opportunity to hone their skills. No spectators or chancers will be tolerated.

The bus departs from the workshop at 2.10pm, parks at Umhloti Beach and returns to the College by 5.45pm.

A list of boys chosen to attend on a Friday is posted on the clubs noticeboard early in the week. If boys commit to that Fridays trip, they tick off their names. The names of the thirteen boys who have ticked off the list will be posted on the noticeboard on a Thursday afternoon – these are the boys who will be allowed on the bus.
