 - School reports to be submitted: only the Grade 6 mid-year (when acquired) and final (when acquired) reports are required.
- The year before admission, applicants and their parents will be invited to our **Open Weekend**. This is usually held in March each year. On this weekend applicants write the entrance/scholarship examinations and if applicable, audition for Music Scholarships. The boys spend a night in the boarding house and parents are able to attend a series of talks and learn all about Kearsney and how it provides the best possible education for their boy.
- All prospective pupils are required to write an **English and Mathematics entrance examination**. These assessment results, a confidential report (which we obtain from the applicant's current school) and school reports form the basis of assessment for admission to Kearsney College. An interview with the Headmaster is offered, but is not compulsory.
- In the event of an offer of a place from the College, a **non-refundable acceptance fee of R26,800** per applicant will be required to confirm your acceptance of the offer. Offers of places are made the year before entry, at a date determined by the Independent Schools Association of South Africa usually in April. Please note that the number of places offered to applicants exceeds the limited places available. Kearsney reserves the right to only fill the number of places for pupils it is prepared to take and in such manner as it deems fit. Acceptance into Kearsney is entirely at the school's discretion and the admissions committee's decision is final.
- A limited number of **scholarships and bursaries** are available. Application forms and criteria will be provided from January in the preceding year. Kearsney will communicate the criteria to all applicants at this time.

Compulsory debit orders and additional extras

Accounts must be paid by way of a compulsory eleven-month debit order system. In addition to the above annual charges, certain pupils avail themselves of other facilities such as dayboy transportation, music tuition, extra academic tuition etc. The Commercial Director will advise affected parents of the additional amount to be added to their monthly debit order. In addition, all matric candidates are required to pay the IEB Examination Fee, amounting to R 6,650, which will be invoiced over nine months from January. The College reserves the right not to enter those pupils whose accounts are not fully paid up by the latest examination entry date.

The school fees and most incidentals are invoiced

over eleven months and the debit orders are linked to the actual amount owing on your statement on the 25th of each month from January to November. The debit order run will commence on the last working day in January. Any outstanding amount after the end of November will be cleared with a final debit order run in December. The debit order system can only apply to parents with South African bank accounts. Where parents make payments from foreign bank accounts, special arrangements should be made with the Commercial Director. No allowance is made for absence from school for illness, extended holiday and disciplinary reasons.

In certain circumstances the Commercial Director will, on application, allow payment to be made quarterly in advance provided that all arrears are settled in full before the commencement of the first term, and that payment will be made by no later than the first day of a term.

Discount for upfront payment of fees

A 5.5%, 4.5% and 3.5% discount is offered if the annual fees are settled in full before 30 November 2018, 31 December 2018 and 31 January 2019 respectively. The discount is applied to tuition and boarding and net of any scholarship, bursary or other discount. No credit card facilities are available for the upfront payment of school fees. Please note that the upfront payment discount is not offered to parents who are on any financial assistance.

Payment

All payments to the College must either be by way of cheque or electronic funds transfer. For security reasons, cash will not be accepted. If the upfront payment option is elected, the Commercial Director should be advised in writing and payment should be made by the abovementioned dates. Cheques should be crossed "Not Negotiable" and "Not Transferable" and should be made payable to the Kearsney College Trust and paid directly into our banking account: **Standard Bank, Hillcrest Branch, Account No. 052 019 365, Branch Code 045 726, Swift Code: SBZAZAJJ**. Where money is either transferred electronically or deposited directly into the College's bank account, a copy of the payment confirmation or deposit slip should be emailed to athompson@kearsney.com.

Special discounts for two or more brothers at the college at the same time

TWO brothers – 5.0% discount on the annual fee of each of the brothers. THREE or MORE brothers – 10.0% discount on the annual fee of each. The discount is applied to tuition and boarding and net of any scholarship, bursary or other discount.

Foreign pupils' deposit

For pupils from outside South Africa, the College requires that three months' fees be held by the College as a refundable deposit. This is in addition to the Acceptance Fee payable and is separate to any repatriation fees that may be required by the Government. This deposit must be paid before the pupil enters Kearsney College and will be refunded when the pupil leaves the College.

Doctors' consultation fees

The medical practitioners will charge their fees directly to parents or their medical aid, as the case may be.
