### Compulsory debit orders and additional extras

Accounts must be paid by way of a compulsory eleven-month debit order system. In addition to the annual charges, certain pupils avail themselves of other facilities such as day scholar transportation, music tuition, extra academic tuition, etc. The accounts department will advise affected parents of the additional amount to be added to their monthly debit order. In addition, all matric candidates are required to pay the IEB Examination Fee, amounting to R 7,659 which will be invoiced over nine months from January. The College reserves the right not to enter those pupils whose accounts are not fully paid up by the latest examination entry date.

The school fees and most incidentals are invoiced over eleven months and the debit orders are linked to the actual amount owing on your statement each month from January to November. The debit order run will commence on the last working day in January. Any outstanding amount after the end of November will be cleared with a final debit order run in December. The debit order system can only apply to payments with South African bank accounts. Where parents make payments from foreign bank accounts, special arrangements should be made with the Commercial Director. No allowance is made for absence from school for illness, extended holiday and disciplinary reasons.

In certain circumstances the Commercial Director will, on application, allow payment to be made quarterly in advance provided that all arrears are settled in full before the commencement of the first term, and that payment will be made by no later than the first day of the month preceding the start of the term.

### Upfront payment of fees

A 4.5%, 3.5% and 2.5% discount is offered if the annual fees are settled in full before 30 November 2021, 31 December 2021 and 31 January 2022 respectively. The discount is applied to tuition and boarding and net of any scholarship, bursary or other discount. No credit card facilities are available for the upfront payment of school fees. Please note that the upfront payment discount is not offered to parents who are on financial assistance.

### Payment

All payments to the College must either be by debit order or electronic funds transfer. For security reasons, cash will not be accepted. If the upfront payment option is elected, the Commercial Director should be advised in writing and payment should be made by the abovementioned dates. Payments must be made to the Kearsney College Trust and paid directly into our banking account: **Standard Bank, Hillcrest Branch, Account No. 052 019 365, Branch Code 045726, Swift Code: SBZAZAJJ**. Where money is either transferred electronically or deposited directly into the College's bank account, a copy of the payment confirmation or deposit slip should be emailed to [kkidwell@kearsney.com](mailto:kkidwell@kearsney.com).

### Special discounts for two or more brothers at the College at the same time

Two brothers – 5.0% discount on the annual fee of each of the brothers. Three or more brothers – 10.0% discount on the annual fee of each. The discount is applied to tuition and boarding and net of any scholarship, bursary or other discount.

### Foreign pupils' deposit

For pupils from outside South Africa, the College requires that three months' fees be held by the College as a refundable deposit. This is in addition to the Acceptance Fee payable and is separate to any repatriation fees that may be required by the Government. This deposit must be paid before the pupil enters Kearsney College and will be refunded when the pupil leaves the College.

### Doctors' consultation fees

The medical practitioners will charge their fees directly to parents or their medical aid, as the case may be.
