

KEARSNEY COLLEGE

Founded in 1921

Kearsney College, a leading independent boys' high school located midway between Durban and Pietermaritzburg, requires the services of a candidate to join our academic staff from the start of January 2023.

Teacher: EGD and Design & Technology

The incumbent will be suitably qualified and have experience in teaching EGD and Design & Technology.

Excellent administration skills are crucial, and the applicant must be aware of trends and the latest teaching methods and assessment practices. Performance dimensions critical to this position include innovation, maintaining excellence within the EGD Department and building positive relationships with pupils and peers. Successful use of technology in the classroom will be a distinct advantage.

Candidates must be prepared to be involved in our extensive extra-mural programme and to perform supervisory duties in the boarding establishment.

All Kearsney academic staff are provided with accommodation on the picturesque estate on Botha's Hill or are paid a living-out allowance.

If you have energy, enthusiasm, and a passion for the teaching of EGD and Design & Technology we would be interested in receiving your application.

To get an insight into the life of a teacher at Kearsney please view the video on our website under the tab:

["About us/Vacancies"](#) or use the link [Teaching at Kearsney](#)

Kindly forward your CV to: vacancies@kearsney.com

Closing date: Friday 19 August 2022

.....

Kearsney College reserves the right to not make an appointment. An application does not entitle the applicant to an interview. Only short-listed candidates will be contacted. Applicants are advised that if they have not been contacted by 02 August please accept that your application has been unsuccessful.

In terms of the Protection of Personal Information Act, 4 of 2013, section 11(1)(a), by applying for this vacancy, you grant Kearsney College consent to use your CV and personal details for the purpose of application to this specific role. The personal information of unsuccessful applicants will be destroyed once the purpose for which the personal information was collected ceases to exist.
