Art Exhibition

Schools are invited to submit art works for the annual Culture@Kearsney Art Exhibition. We encourage submissions of traditional and non-traditional works that range from the 2D to the 3D. Schools are requested to be selective in what they submit. While every effort is made to display all work submitted, we are limited to the space available.

Artworks can be delivered to Kearsney College on 9 March 2023 between 10am and 3pm, with a printed copy of the submission spreadsheet. Kindly submit an electronic version of the spreadsheet (on or before 9 March 2023) to culture@kearsney.com. Please ensure that all pieces submitted are clearly marked with the pupil's name and school name. Artworks can be collected on Wednesday 22 March between 8am and 2pm. (Alternative delivery and/or collection dates can be made by prior arrangement).

All participants are invited to attend the launch of Culture@Kearsney and the opening of the exhibition on Tuesday 14 March 2023. (Further details of the Launch and Exhibition Opening will be provided closer to the time).
