

# Kearsney Transport Services 2024

## Please note:

**Pupils MUST register for the bus service before use.** To register, please complete the form found under Transport Services on the Kearsney app.

Enquiries: Mr Wiseman Ngwane, Transport Manager, [transport@kearsney.com](mailto:transport@kearsney.com).

Users will be charged monthly over eleven months, including months falling during holidays, regardless of the frequency of use. **Boarder school transport applies to Monday mornings and the first day of school after a half term only; and NOT on the first day of a new school term.**

Kearsney endeavours not to make any changes to transport during the year, however, given the escalating transport costs and construction on numerous routes, Kearsney may reassess transport services, including departure times, rates, boarding and drop-off points throughout the year. Parents will be advised should there be any intended changes.

**Ad hoc transport requests** may incur additional charges and these will be levied to your school fee account.
