

# DJ Club

**CONVENOR:** Mr D Langley

**CONTACT:** [dlangley@kearsney.com](mailto:dlangley@kearsney.com) or [music@kearsney.com](mailto:music@kearsney.com) (general enquiries)

## **HISTORY:**

DJ Club at Kearsney has been running for several years now. It originated out of the growing popularity of Electronic Dance Music (EDM) amongst the Kearsney boys and society's youth in general. DJ Club came into existence as a means of providing a skilled performance for the socials at the College.

## **CONTENT:**

With the EDM industry growing and becoming ever-present today, the viability for young people to make a living in the industry is ever increasing too. In DJ Club, I provide the boys with hands-on experience in all aspects of what it means to be a DJ, all the way from the necessary technical knowledge required to being a professional in the industry.

## **SKILLS DEVELOPED:**

As mentioned above we cover all aspects of being a DJ, from what it takes to start up, setting up a PA system, reading a crowd, selling a product, and dreaming big!

## **HIGHLIGHTS OF THE YEAR:**

DJ'ing at socials, at the Comrades Marathon and at the Kearsney Open Weekend.
