HISTORY:

The growing popularity of Hip Hop, Freestyle, Crumping, Tatting and Stepping prompted a student at Kearsney (May 2008) to ask for the creation of a club that promotes and allows boys to dance.

CONTENT:

Boys will learn how to interpret music and choreography and learn new steps. These skills are then put into practice in the weeks that follow.

SKILLS DEVELOPED:

Working together to create a choreographed item that is performance-ready and learning stage etiquette.

HIGHLIGHTS OF THE YEAR:

The dancers will perform in the annual Culture@Kearsney Dance Festival with dancers from many different schools from KZN.
