HISTORY:

With the inauguration of Culture@Kearsney it was decided to have a group of boys who are dedicated to assisting with all functions at the College.

CONTENT:

Boys will be involved in all that happens “behind the scenes” in a theatre as well as being the welcoming face to events. The crew get to shout “lights, camera, action” and know how to control some of the equipment in a theatre. ‘Curtain up’ does not happen until they say so! For boys who wish to be more sociable, you can attend every function at the hall and help the visiting ladies to their seats.

SKILLS DEVELOPED:

Lights! Camera! Action! Boys will learn the basics of theatre lighting and sound – a valuable skill for all drama students. Similarly, experience as a stagehand or stage manager is a vital skill for all amateur thespians and will be taught as part of the functions crew.

HIGHLIGHTS OF THE YEAR:

An all-access backstage pass to all the Culture@Kearsney events throughout the year (and often the food that goes with hosting VIP events)!
