ELWYN VAN DEN AARDWEG
HEADMASTER KEARSNEY COLLEGE

Kearsney College is delighted to welcome top rugby playing schools from around the country to its beautiful campus on Botha's Hill. With the teams come support staff, relatives, friends and supporters of schoolboy rugby. What an awesome opportunity to enjoy the Easter weekend in the company of rugby players and supporters, in an environment and climate that compliments the experience.

This year Kearsney College celebrates its 95th year of existence. Kearsney College was opened in 1921 on the North Coast of KwaZulu-Natal in the home of Sir Liege Hulett, just outside Stanger. Much has happened since those humble beginnings and we pay tribute to all those who have sacrificed much to provide us with the campus, buildings, sports fields, traditions and pride and passion that we currently enjoy. In 1939 Kearsney College moved from Stanger to its current location on the crest of Botha's Hill where it has grown into the school that it is today. Every generation of Kearsney boys, parents, Old Boys and staff are thanked for their tremendous contribution to the College. We also thank the people of Hillcrest, Durban, KwaZulu-Natal and supporters from all over the country for their interest in the activities and events, such as the Easter Rugby Festival, offered on our lovely campus.

The Kearsney Easter Rugby Festival is brought to you with the magnificent support provided by all our sponsors. Africa's biggest bank, Standard Bank has continued as the Festival's title sponsor this year. It has also been Kearsney's chosen bank for over 20 years and we are delighted to continue the relationship. The Sharks have supported this festival from inception and we are proud to be associated with this winning brand. Nashua Durban are into their fifth year of sponsorship and we are happy to be associated with Illovo Sugar (SA), KEY Pinetown, Life Healthcare and our other valued sponsors featured in this commemorative brochure. Please support our sponsors as they not only offer high quality products and services but they are also prepared to invest in supporting sport at school level.

95 KEARSNEY COLLEGE 1921 to 2016

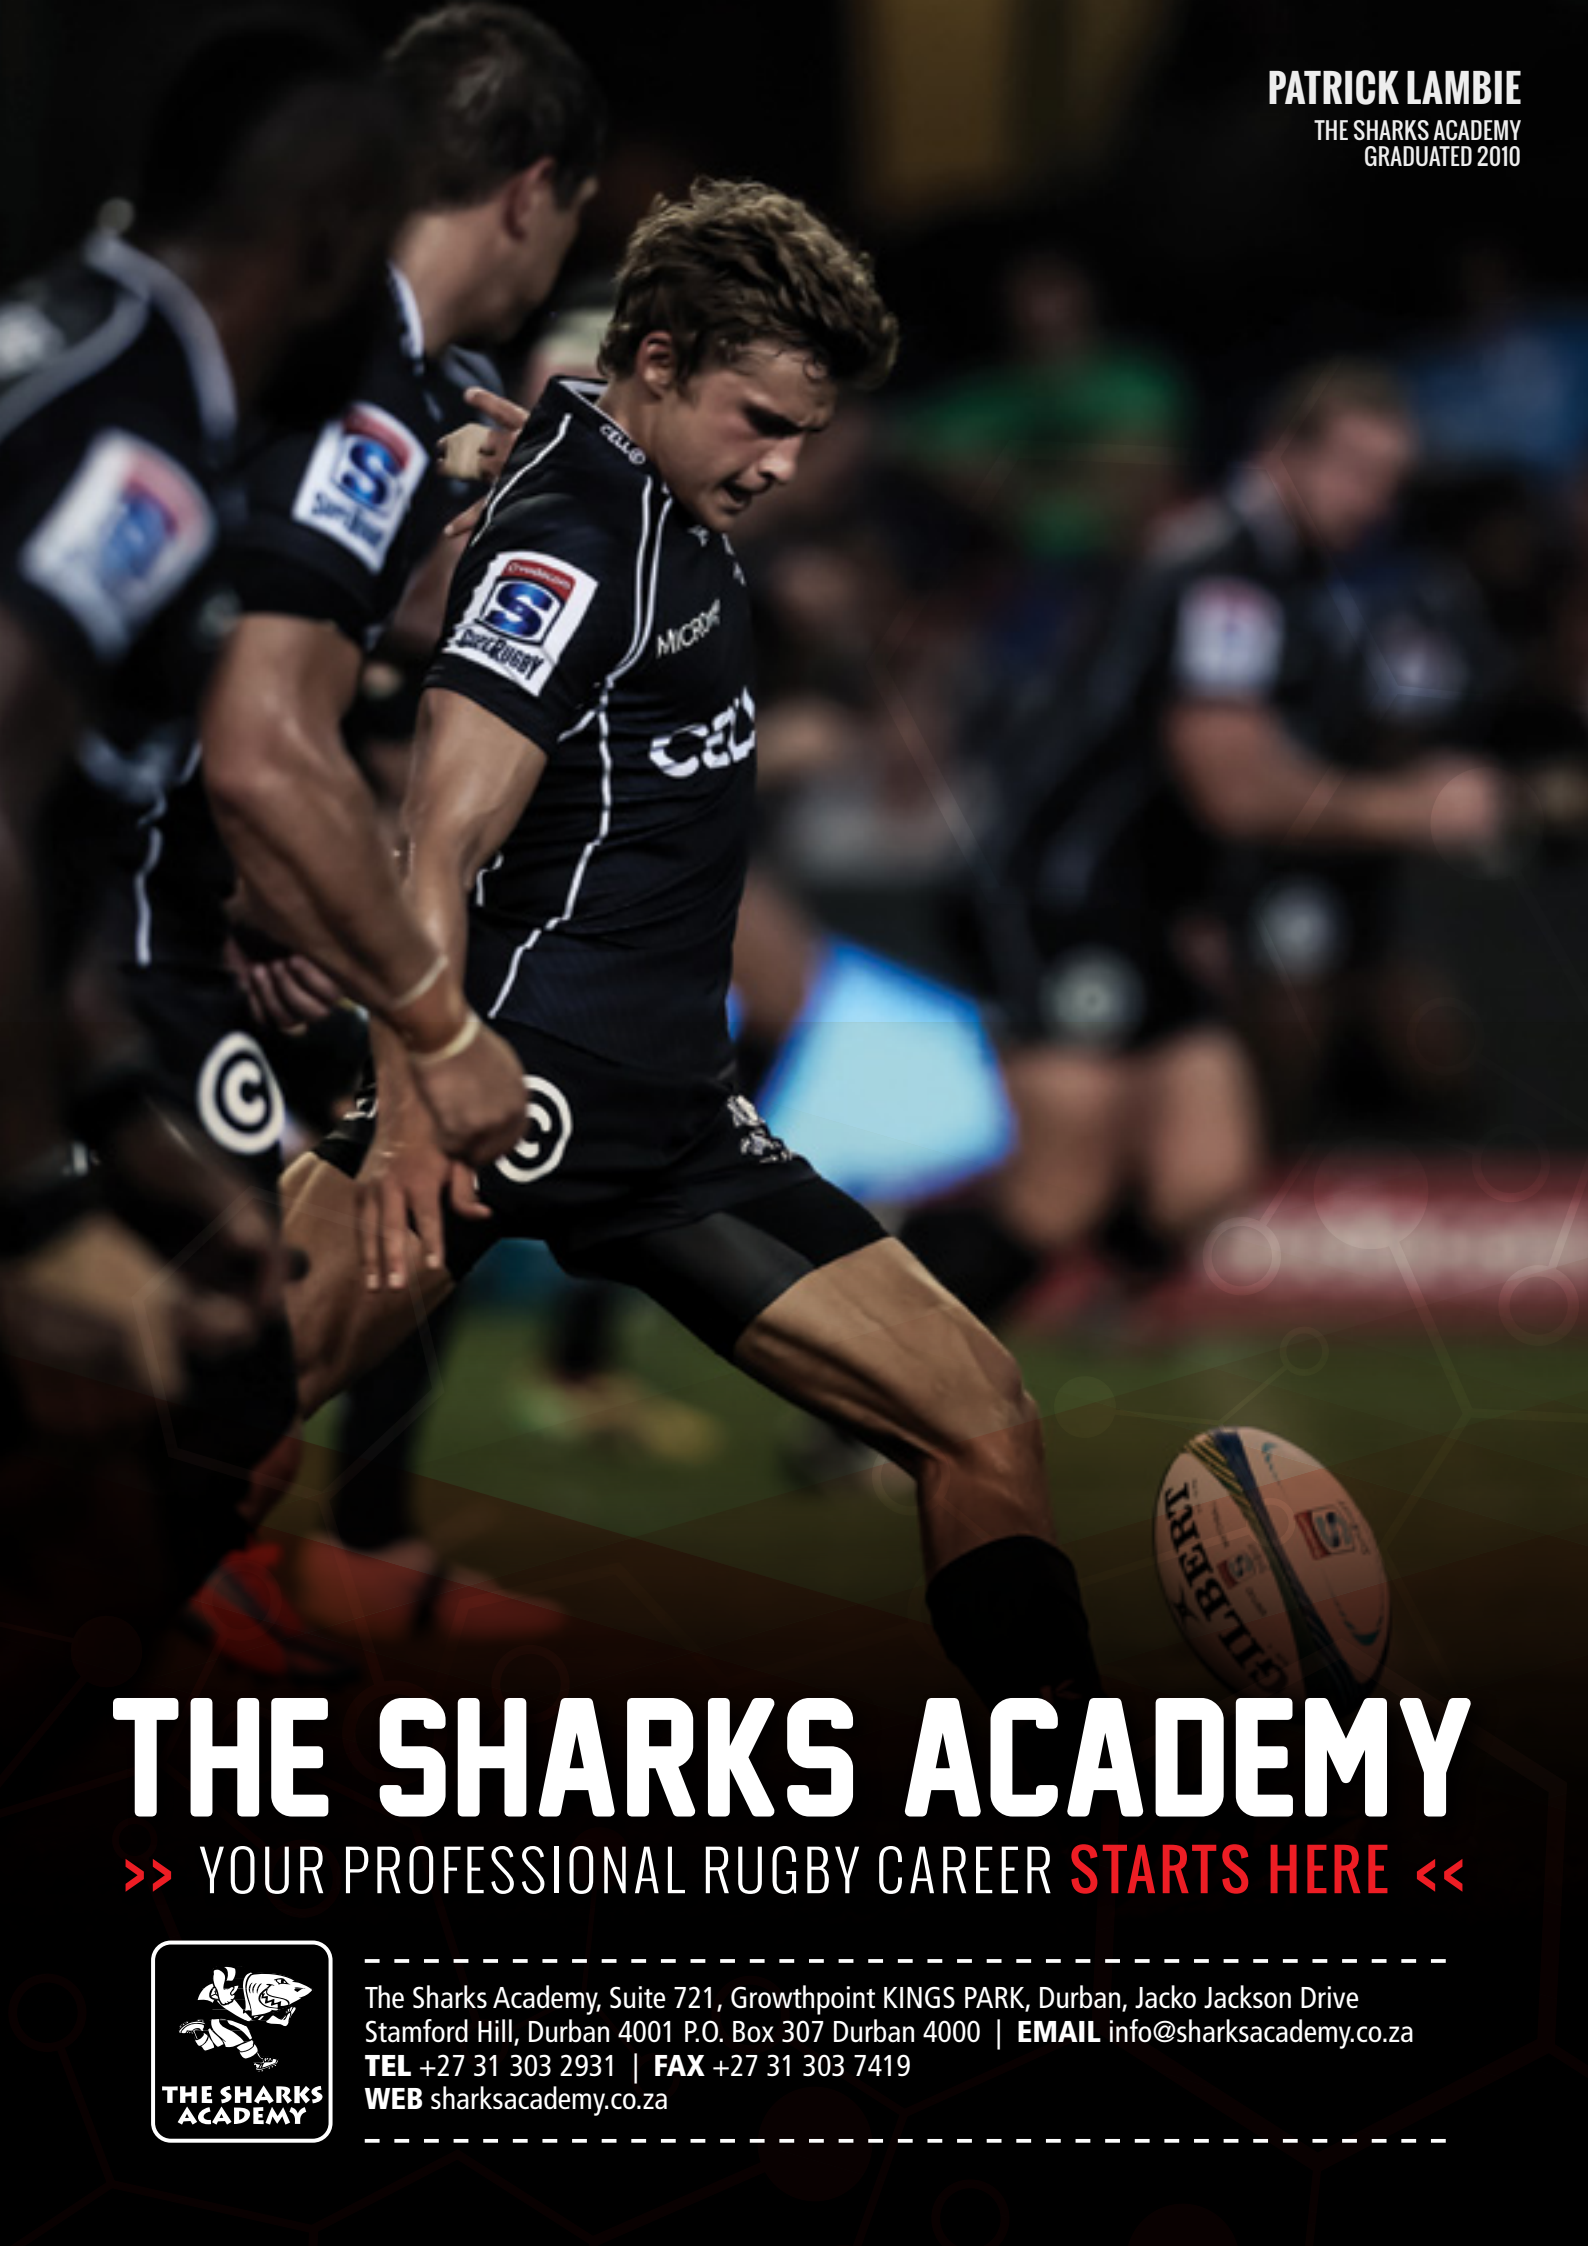

Key to the success of a festival of this nature is the attention given to the participating teams. We have endeavoured to provide comfortable, spacious on-site accommodation to all the teams and management. Their dietary needs are met by the Compass Group team, representing a global catering company, in clean, modern dining and kitchen facilities. Medical care, including post-match rehabilitation, is on hand to cater for any eventuality. Home comforts are provided to all players and management in the form of sponsors' products and keep-sakes. As a reward to the coaching staff for their commitment to schoolboy rugby we ensure that the odd celebratory libations are provided too! Mouton Badenhorst, a Kearsney teacher, is the chairman of the Easter Rugby Festival committee which includes many Kearsney staff, Kearsney parents and others who have worked tirelessly to produce a festival of which we can all be proud.

JOHN SMIT

CEO THE SHARKS

The Kearsney Easter Rugby Festival remains South Africa's premier schools' festival, which continues to thrive and excel with each passing year. We at The Sharks are delighted with our association with a festival that has produced rugby of the highest quality and a pool of players that show exceptional promise.

The calibre of schools that the festival attracts is incredible and speaks volumes about the reputation of the tournament on a national school level. My involvement with the rugby festivals at Kearsney dates back to 1996 as a schoolboy player. I look back at that time with the fondest of memories.

This event gives schoolboy rugby players an ideal platform to display their talent and ability in front of an enthusiastic audience. It is important that the participants enjoy the camaraderie and spirit of the event and at the end of it leave with friendships made and great memories.

The Sharks Academy's association with the festival has proven to be a successful one, with a number of academy bursaries being awarded to promising players. This year, The Sharks Academy will again award bursaries at the festival to deserving recipients.

I would like to take this opportunity to wish the participants everything of the best at this year's edition of the festival. Enjoy testing yourself against some of the country's best schoolboy players but, most of all, have fun.

The Kearsney Easter Rugby Festival organising team consistently ensures that each year's event is bigger and better than the year before and I have no doubt that this year's event is going to be yet another resounding success.

CEO PERSONAL & BUSINESS BANKING IN SOUTH AFRICA

Standard Bank

In South Africa, summer's progress into the first mild chills of autumn means thrilling schoolboy sports as much as it means chocolate eggs; and Standard Bank is delighted, once again, to partner with Kearsney College as a major sponsor of the school's ninth Kearsney Easter Rugby Festival.

Since its inception nine years ago, the Kearsney Easter Rugby Festival has grown in prestige and attendance, attracting some of the top rugby-playing schools from around the country. In fact, Sharks CEO John Smit describes the endeavour as a "phenomenal success".

Standard Bank sees this "phenomenally successful" festival as an opportunity to not only support and nurture the leaders of the future, but also to fulfil one of our most vital philosophies: to connect with our valued customers. These sporting partnerships allow us to engage with our customers in increasingly creative and interactive ways, demonstrating to you that we hear and see your needs, and will adapt to them with a number of solutions designed to move you, your children or your business forward.

To show that we take our aforementioned mandate seriously, we will have an activation area available at the Festival where great Standard Bank prizes can be won. Don't forget to use the Standard Bank hashtag #SBSchoolsFest to Instagram, Tweet or Facebook your great moments of the day. You will also be able to comment on the festivities at:
facebook.com/standardbankSA
and twitter.com/standardbankza

As in previous years, the Festival promises to deliver its characteristic fierce competition, sheer talent and dedicated passion - all aspects that make it truly unforgettable and a must-see for all sports fans.

Thanks must go to the coaches, parents, organisers and teachers who made this event possible. This is sure to be another year of compelling rugby.

Our congratulations also go to all the young sportsmen who have been chosen to play. Standard Bank urges you to give your best for your team and for yourself, and we look forward to a display of incredible talent.

We also wish all participating schools the best of luck and health. Have fun, play hard and enjoy the spirit of true South African unity and sportsmanship.

MOUTON BADENHORST

FESTIVAL DIRECTOR

It has been said that rugby is like war: easy to start, difficult to stop and impossible to forget. Many South Africans share a love and passion for the game of rugby, so what better way to spend a holiday than watching top rugby-playing schools muscling it out in beautiful surroundings?

We extend a warm welcome to all participating teams in this year's Kearsney Easter Rugby Festival - the players, coaching staff, parents and supporters. A special welcome also to all the local and national rugby enthusiasts and their families who come up to Kearsney to watch the scintillating rugby and enjoy the atmosphere on campus. We really appreciate your support.

As an early-season festival, the Kearsney Easter Rugby Festival affords teams the opportunity to test different and new combinations before the traditional rugby season starts and to play with some freedom, resulting in some spectacular running rugby. Once again 2016 promises a great display of talent and some nail-biting matches. We hope that both players and supporters will enjoy the action, as well as the friendship and camaraderie on and off the field. Each player is encouraged to embrace the competition, but always to show true sportsmanship. After all, being a team player is a most valuable life lesson to be learnt.

An event of this magnitude cannot take place without the support and generous donations of time, money and expertise from so many. Kearsney College is enormously grateful to all the sponsors, listed elsewhere in this brochure. Special thanks also go to the members of the Kearsney staff and community who have worked tirelessly behind the scenes to make this festival another resounding success.

Here's to three days of top running rugby - enjoy the action.

BOOTS & BALLS
OUTREACH INITIATIVE

The Kearsney Easter Rugby Festival's 'Boots & Balls' outreach initiative introduced in 2015 is again collecting new and good condition second-hand rugby kit and clothing to distribute to development teams throughout the province.

Participating festival players and the public have been encouraged to leave rugby gear and clothing in designated collection bins at the main field. These contributions will be handed over to the KZN Rugby Union's Development Programme during the closing ceremony on Monday.

The initiative's new partner, Corrogains Sports, has worked with the KZN schools participating at the Festival. Throughout the year they will collect, sort, refurbish and pack donated items. Illovo Sugar, the festival's CSI support partner, is assisting with the promotion and smooth running, whilst the KZNRU will distribute to all 11 provincial municipal districts where it has a rugby footprint to develop and promote rugby.

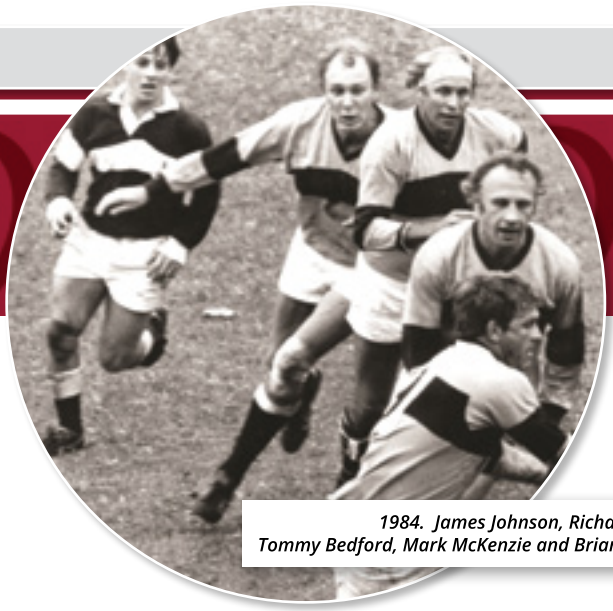

Commenting on the initiative, Quentin Reynolds, the KZNRU's manager of rugby development, said: "What a tremendous initiative it has turned out to be. I could not believe how much came in and this initiative is truly appreciated".

Sharks player Tera Mthembu (centre) hands over rugby kit and clothing to the KZNRU Development Programme's Quentin Reynolds (left) and LIV's Chester Koyana (right). It is part of the collection for 'Boots & Balls', the Kearsney Easter Rugby Festival's outreach initiative.

From Stanger TO THE STOTT

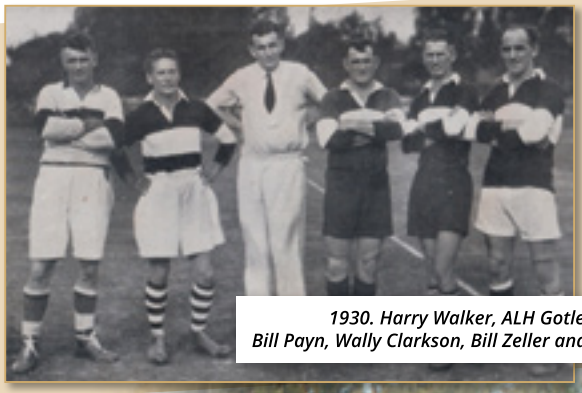

1984. James Johnson, Richard Steyn, Tommy Bedford, Mark McKenzie and Brian Borgen.

Founded in 1921, Kearsney College celebrates its 95th Anniversary this year.
Woven through these decades is a fascinating chapter in the school's rugby history: the story of the Old Crocks and their traditional game against Kearsney.

Played annually between former Springbok and provincial players and the Kearsney College 1st XV, this fixture was unbroken for 81 years, from 1931 to 2012, being played even during War years.

From 1921 to 1939, when Kearsney College was situated amongst the tea plantations near Stanger on the North Coast of KwaZulu-Natal, the school had too few boys to field sides against the major schools. The school masters consequently used to join the boys and the team would play against men's teams from Stanger, Empangeni, Eshowe and Melmoth, competing for the Webber Cup.

During this period the Kearsney boys had little contact with other schools and little opportunity to play or watch quality rugby. In response to this, in 1931 Cyril Medworth - together with colleagues from the Natal side, former Springboks Alf Walker, Wally Clarkson, Bill Zeller and Bill Payn - gathered together a team comprised of six former internationals and nine ex-Natal rugby players to play against Kearsney.

1930. Harry Walker, ALH Gotley (England), Bill Payn, Wally Clarkson, Bill Zeller and Alf Walker.

2012. Kearsney held a special ceremony to mark the end of what had become an institution. The annual Old Crocks game offered good entertainment and hard rugby; with many ageing players demonstrating the tactics and style for which they were once revered. Pictured: The Old Crocks and 1st XV Kearsney teams from the final game on the Stott.

Thus began the wonderful annual Old Crocks tradition. During the 81 years that this fixture took place about 500 players represented the Old Crocks – a remarkable feat, considering that one of the qualifications for membership was that the player must have retired from competitive rugby. Over the years the various Old Crocks teams included 35 ex-Springboks, five of whom were captains, 24 former Natal captains, and three English, Irish and Australian internationals.

Bill Payn served Natal Schools' Rugby, including as coach and later chairman, for 18 years. In recognition of his contribution to rugby, the Old Crocks Trophy was renamed the Bill Payn Trophy, manufactured under Alf Walker's direction from two 2lb Illovo Syrup tins on a wooden plinth.

In 1939 Kearsney College relocated to its current site at Botha's Hill, halfway between Pietermaritzburg and Durban. This move proved to be the turning point in the school's rugby fortunes, providing a larger intake of boys and the opportunity to play against more school teams. Whilst regular weekend fixtures against other top rugby-playing schools became the norm, the Old Crocks fixture remained a favourite across the decades.

In an effort to reduce injuries in the game, however, changes to SA Rugby Board legislation were introduced; prohibiting matches between players of different age groups, and this annual contest came to an end in 2012.

Sadly, after eight decades, the final whistle was blown on the historic annual Old Crocks rugby match. The games may have stopped but the proud and happy memories of that fascinating chapter remain.

DALE COLLEGE – Situated in King William's Town, it was established in 1861 and took on its current name in 1877 after Cape Colony superintendent-general of education Sir Langham Dale. Rugby was first played at Dale in 1880, but at that time the sport was not as popular as soccer. In 1891 and 1892, Dale played its first rugby matches against Queen's College and Selborne College respectively, winning both. Rugby was firmly established at the school in 1911 when the famous red and black colours were adopted, and have been worn ever since. Well known Old Dalians include: HO de Villiers, Bjorn Basson and Bandise Maku. In 2014 Tera Mtembu took over captaincy of the Sharks from fellow Old Dalian Keegan Daniel.

GLENWOOD HIGH SCHOOL

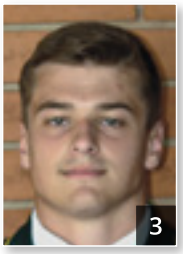

GLENWOOD – From humble beginnings with 26 boys in 1910, Glenwood has grown to become a leading school in SA. Rugby was introduced from the start, but initially Glenwood struggled to be competitive against more established schools. After WW11 the school began to regularly win against its traditional rivals and, since 1950, Glenwood has had a winning record against many KZN schools. The school is able to field 30 rugby teams each weekend. Glenwood has produced over 150 international sportsmen, including 7 rugby Springboks, nearly 50 Natal/ Sharks players, 5 SA Schools' caps and over 150 KZN Schools' caps. In 2008, 33 players were selected for the KZN U-16 and U-18 squads.

MARITZBURG COLLEGE

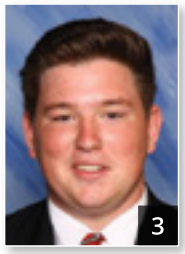

MARITZBURG COLLEGE – The first recorded rugby match in the province of Natal took place in Pietermaritzburg in October 1870. The contestants were Maritzburg College and Hermannsburg School. Played on a sun-baked, wheel-rutted gravel surface, the contest lasted for more than three hours and ended in a victory for College by 2 goals to 0. Maritzburg College has produced 14 rugby Springboks since 1912, including Joel Stransky, Jeremy Thomson, Pieter Dixon, Andre "Butch" James, Peter Grant and Jesse Kriel. In addition, several College Old Boys have represented other countries: Hubert Freakes and Geoff Appleford (England), Juan Grobler and Chad Erskine (United States), Brenton Catterall (Zimbabwe), Wim Visser (Italy), Frank Goedeke (Germany) and Andrew Binikos (Cyprus).

COOL KIDZ

KidZone

A range of fun inflatables, slides and rides are available at this year's Kearsney Easter Rugby Festival, complementing the strong family-friendly atmosphere that characterises the event.

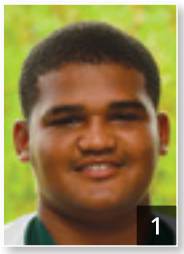

Activities include a jumping castle for little children, as well as a giant slide, rocket, air mountain, zorb balls and trampoline park. Friendly staff from KZN Inflatables will man the rides to ensure that participants of similar ages use the apparatus. The littlies will still need parental supervision, however, as a child-minding service is not available.

Unlimited access for the day, from 9am to 3pm, is available for R100 per child or alternatively tokens ranging between R10-R15 can also be purchased for individual rides. A R270 token will give access to all the rides on all three days. Tokens can be purchased at the entrance to the enclosure.

HOËRSKOOL NOORD-KAAP - Founded in Kimberley in 1943, Hoërskool Noord-Kaap has become one of the region's foremost co-ed schools in academics, culture and sport. The school has 1000 pupils. HNK has come a long way since the mid 1980's, when it could hardly muster a single competitive team. Today it has 6 of the strongest rugby teams in the province; with more than its share of provincial and national representatives. These include some great centres: PJ Vermeulen, Jacques de Kock, Ronnie Cooke, Riaan Swanepoel and Andrew van Wyk. In 2004 PJ Vermeulen captained the SA u19 team which won the Rugby World Cup in Durban. Ronnie Cooke is arguably the school's most renowned Old Boy, having played for the SA u21 side, Cheetahs and in France.

Rugby started in 1892 with the first match against Dale College. In the modern era Keith Andrews, Mark Andrews, André Vos and Brent Russell have played rugby for South Africa and Rory Kockott for France. Luvuyiso Lusaseni and Chris Cloete are playing in the Super Rugby competition. Selborne College serves the East London community as a state school of 780 boys. Old Selbornians have made their mark in all fields of endeavour, ranging from the arts to the scientific and financial worlds.

KZNRU IBUTHO/MARK GODEFROY U13 DEVELOPMENT TEAM
The development programme started in 1992 with six high schools from the Coloured community in Durban and has now grown to approximately 700 high and primary schools throughout the province.

The programme provides an opportunity to learn and play the game for boys and girls from previously disadvantaged communities, including Umlazi, Inanda, Woodlands, Edendale, Kokstad, Gamalakhe, Ulundi, Ezikhaweni, Bergville and Osizweni.

The team chosen to participate at the Kearsney Easter Rugby Festival was selected at the KZN Rugby Union's Talent Identification Festival held in Margate at the Douglas Mitchell Sports Fields and Margate Sports School last year. The boys have undergone extensive training at camps organised and run by the KZNRU Development Department and with coaches appointed from the communities.

SOME PLAYERS WHO HAVE EXCELLED THROUGH THIS PROGRAMME ARE:

- Aubrey Mbatha (SA U17, U19, U21, Sharks U21, Wildebeeste, Eastern Province Currie Cup)
- Cedric Mkhize (Sharks)
- Jody Jenneker (Sharks, Oyannax - France)
- Sizwe Zondo (KZN U19, Sharks, Bridlington - UK)
- Melusi "Barra" Mthethwai (Sharks U19, Sharks U21, Sharks)
- Thabani Sangweni (Sharks U19)
- Sibusiso Dube (Wildebeeste)
- David Ngidi (Sharks High Performance, Falcons Vodacom and Currie Cup)
- Menzi Ngidi (Sharks High Performance)
- Khaya Majola (Craven Week, Sharks U19 and U21, SA U20 World Champions 2012, Vodacom Cup, Sharks Super Rugby and Sharks Currie Cup)
- Siyanda Ndlovu (Pukke - Varsity Cup, SA Universities 2012)
- Sandile Kubeka (Craven Week, SA Schools, Sharks U19 and Vodacom Cup)

As part of the KZNRU's new Transformation Policy, all provincial development squads are now called IBUTHO - which means a gathering of the best warriors to fight for the king. This squad is therefore known as the KZNRU IBUTHO/Mark Godefroy U13 team.
