KEARSNEY
COLLEGE
1921 to 2021

TERM 1 | MARCH 2023

A warm welcome to Kearsney's 8th Headmaster

Headmaster's induction

On 17 January we held the induction service for Kearsney's 8th Headmaster, Mr Patrick Lees, together with special guests and the boys of the College. Bishop Linda Mandindi, Bishop of the Natal Coastal District of the Methodist Church, presided over this significant service. We congratulate Mr Lees and welcome him and his family to the College. We wish him much happiness and success in his position.

SA U21 Hockey selection

Congratulations to Calvin Davis (Class of 2021), pictured below, who has been selected for the SA U21 Mens Hockey team for the Junior African Cup Qualifier. They will compete in Egypt for the opportunity to represent South Africa at the FIH Junior Hockey World Cup in Malaysia at the end of the year.

Excellent Results from the Class of 2022

We are very proud of the fantastic matric results achieved by the Class of 2022. The Class achieved a 100% pass rate, with a 98% Bachelor Degree (University Exemption) pass rate. Twenty-six percent of the Class of 2022 achieved an A aggregate; while 58 of the Class

achieved an A or B aggregate. Twenty-four percent of Kearsney pupils achieved 4 or more distinctions.

46% of Mathematics candidates achieved distinctions, compared to the average IEB schools' distinction rate of 26%. The Average Maths mark for Kearsney boys was 75%.

Thirty-seven% of Physical Sciences boys achieved distinctions, compared to the average IEB schools' distinction rate of 18%. Significantly, these incredible results were achieved with half of the Kearsney boys writing Physical Sciences, a very high percentage. This was the

twelfth consecutive year that Kearsney's Maths and Science distinction rates have been approximately double those of all IEB schools.

Notable achievements were recorded across the board, including 59% of Accounting candidates achieving an A, 48% of Drama candidates achieving an A (Read more on page 2).

Class of 2022 gentlemen who achieved 8 distinctions:
L-R Fynn Pollock, John Eastes, Owen Payne and Javashkaar Naidoo.

(continued from page 1)
(average class mark of 80%), and 51% of Engineering Graphics and Design (EGD) candidates achieving an A.

Special mention must be made of those boys who achieved 8 distinctions:

John Eastes; Javashkaar Naidoo, Owen Payne and Fynn Pollock (pictured page 1.)

7 Distinctions:

Benjamin Burton; Javhar Naidoo

6 Distinctions:

Rhys Calenborne; Ethan Glenny; Joshua Owen; Kayden Robinson; Andrew Roden; Aryan Sewsunker

Kearsney is very proud of our track record of academic excellence and that our academic programme supports and gets the best out of all the boys. A remarkable achievement is that of the 116 boys in the Class of 2022, 24 had IEB accommodations for various barriers to learning.

Well done too to the teachers, who always go the extra mile to ensure our pupils achieve their best possible results.

Kearsney Imbizo

We congratulate the boys chosen for the 2023 Imbizo. This committee recognises that the Kearsney community consists of many cultural groups and ensures that every group is afforded the respect and dignity it deserves. Ethan Williams (Head), Lihle Maqhugula (Deputy), Siyen Gounden, Seth Abrahams, Stephen Kruger, Riku Boshoff, St John Vallance, Lisu Khuzwayo, Woojae Lee, Solwazi Ngwane, Evan Powers and Alwande Mbonambi.

Headboy, Simthembele Mkhize (right) and deputy headboy Devahn van der Walt and Headmaster, Mr. Lees.

New staff members

We were delighted to welcome nine new highly-qualified and passionate staff to the College this year and seven interns. We wish them well for the years ahead and look forward to them making their mark at the College.

L-R: Mr Senzo Mtshali, Mr Sanele Ngema, Ms Dineo Fihlela, Mr Terrance Boyce, Mr Vivek Sookdavu, Mr Bennie Pietersen, Mr Njabulo Nkabinde, Mr Kwanele Ngema and Ms Daniella Cairns.

Teacher interns L-R: Mr Luke van As, Mr Ayanda Duma, Mr Stephan Joubert, Ms Rivashni Archray, Mr Jordan du Preez, Mr Jody Saayman and Mr Yanga Sotshangane.

Kearsney pupil leadership team

Staff members congratulate prefects after their induction ceremony.

Welcome Grade 8s

It was a pleasure to officially welcome the 2023 Grade 8s to the College as they began their Kearsney journey.

The Grade 8s spent the day out of class to take part in a full day of fun activities and team building. The programme is designed to allow the boys to become more familiar with our campus, staff, prefects and traditions. The camaraderie and brotherhood are already evident and many life-long friendships have begun.

On Sunday 22 January the Grade 8s tackled the tough 14km Haley Hike through the Alverstone valley as the final activity of Orientation Week. It was a sweltering day and it was great to see the boys' grit and determination as they completed this traditional rite of passage.

Following the completion of Orientation Week, the Grade 8s were awarded their Kearsney ties in a special ceremony on Monday 23 January. The boys were reminded that the Kearsney tie represents the membership of the Kearsney community and that they must strive to live by the values of Kearsney and make Kearsney proud. After the prefects handed the boys their ties they were given a round of applause by the rest of the school to welcome them as Kearsney boys. Carpe Diem young men.

Top: 14km Haley hike.
Above: Grade 11 mentors with their Grade 8 charges.
Left: Prefects handed out the Grade 8s' ties at a special ceremony in front of the rest of the school.

Kearsney IEB officials

Thirty Kearsney teachers were involved in the IEB matric examinations in Johannesburg in December 2022. Kearsney's remarkable level of involvement in the IEB examination marking process includes one examiner, three moderators, ten senior markers and 16 markers. This extensive IEB experience is invaluable to our teachers' development. The experience is a significant advantage for our teachers and the insights gained benefit our pupils directly.

History Quiz

Kearsney entered three teams in the inter-schools History Quiz held at Clifton College this term. The boys performed exceptionally well, with all three teams finishing in the top 5. The Grade 10 team, comprising Luca Sandri, Oliver Tubb and Stephen Robertson, placed 4th overall; the Grade 9 team, with Connor van Heerden, Jason Denekamp and Thomas Blomfield, placed 3rd overall; while the Grade 11 team, Matthew Lamplough, Daniel Bothma and Jack White, won the competition.

This was a great effort by all the boys involved.

Music and Drama with David Kramer

Our Grade 10 and 11 Drama and Music boys had the tremendous privilege of having one of South Africa's theatrical and musical giants, Mr David Kramer, visit Kearsney to talk to them about his work and his approach to creating theatre.

Mr Kramer visited the College over a few days to contribute to our preparations for this year's musical production, *'Kat and the Kings'*, David Kramer's multi-award-winning and internationally acclaimed musical. This iconic show has enjoyed successful runs on Broadway and the West End, and we are honoured to be the first-ever amateur group putting on this wonderful musical. The production will be staged at Kearsney from 09 to 12 May.

Inter-house Play Competition

Report by MsUlaetha Singh, HOD Dramatic Art.

Kearsney's highly contested Inter-house Play Competition proved to be an entertaining evening. All students who were involved are to be commended on their commitment to producing work of which they can be most proud.

All four House plays gave the audience food for thought with their interesting and intriguing plots and twists. Pembroke's cleverly titled *'High Stakes and High Heels'* was first. This play engaged the audience with a thrilling tale of deceit, betrayal and the art of the con. Following this piece of theatre was Sheffield's layered *'Two Truths and A Lie'* which in its storyline blurred the lines between fantasy and reality. Through his memories, we saw the suffering of the protagonist, Arthur; played by Lwandile Khoza, who scooped the Best Actor Award. Finningley's *'Lights Out'*, the winning house play for 2023, written by Mandu Ntinga had the audience in stitches with their enlightening idea of bringing South Africa's load shedding crisis into the spotlight. Finningley also walked away with the Best Supporting Actor Award for Bukho Hlawatika.

Gillingham's offering *'Sometimes living is an act of courage'* brought the evening to a close. It was a clever narrative of dreams, success and long-forgotten love.

We were thrilled and privileged to have three wonderful theatre practitioners in Daisy Spencer, Meg Logan and Menzi Mkhwanne as professional adjudicators for

the evening. They were impressed by the effort of our students and heaped praise on their work.

Congratulations to all boys involved in the Inter-house plays this term. It was a wonderful evening of dramatic performances. Well done to Finningley for winning best play, Lwandile Khoza (Sheffield) for winning Best Actor and Bukho Hlwatika (Finningley) for winning Best Supporting Actor.

From left to right, Headmaster, Mr Lees, Christopher Butler, Mitchell Grant, Hugo Fitzgerald and Ben Delpont after the flag-raising ceremony to welcome them to the College.

International Exchange

Report by Mrs Charlene Elliott.

We were pleased to welcome back Luhlelo Sibisi, Keagan Coetzee and Connor McIntyre back from their exchange to Mount St Mary's in Sheffield, England.

We also welcomed Benjamin Delpont, who is here on a short-term exchange. He arrived from Mount Si High School in Snoqualmie, Washington and will be with us in both Term 1 and Term 2. Benjamin, a Gillingham boarder, has been enjoying Kearsney life and is looking forward to the Rugby season in Term 2.

We also welcomed Christopher Butler, Mitchell Grant and Hugo Ferguson to the College in Term 1, from the Catholic University School (CUS), in Dublin, Ireland. These boys were Pembroke boarders during their time here and admirably played 3rd and 4th Team Cricket. They fully immersed themselves to the school and were given the opportunity to look at the world through new eyes, through the eyes of a Kearsney boy, through the eyes of a South African.

"The real voyage of discovery consists not in seeking new landscapes, but in having new eyes."
Marcel Proust

KEARSNEY EASTER RUGBY FESTIVAL 2023

Thursday 06, Saturday 08 and Monday 10 April

The 2023 Kearsney Easter Rugby Festival was launched at a special event at the Hollywoodbets Kings Park Stadium on 01 March. The 14th festival promises thrilling match-ups between some of the country's top-ranked rugby schools, as well as the United Kingdom's current ACE League champions, over the three play days.

Participating in this year's festival are Kearsney College, Glenwood, Westville, DHS, Monument, EG Jansen, Framesby, Dale College, Marlow, Noord-Kaap and festival newcomers Worcester Gimnasium. The 11 South African schools will be joined by Hartpury College from the UK. The continued participation of this calibre of teams highlights the festival's prestigious status amongst players, coaches and supporters. Schoolboy rugby plays an invaluable role in the development of South Africa's rugby culture and instils the values of sportsmanship, teamwork and respect in young players.

Fixtures and festival information will be available on the Kearsney Easter Rugby Festival app, launching soon, on www.kearsney.com, and Kearsney's social media platforms. We look forward to welcoming families back onto our beautiful campus for this wonderful festival and celebration of schoolboy rugby.

Tickets R30 per person at the gate.

Mr Patrick Lees (Kearsney College headmaster) 2nd from right, with festival sponsors Mr Craig Polkinghorne, KCOB (Head of Commercial Clients at Standard Bank South Africa), Mr Joey Mongalo (Sharks Currie Cup head coach) and Mr Trevor Browne, KCOB (CEO of the Halfway Group).

Thank you to headline sponsor Standard Bank for their invaluable support; together with The Sharks, Sharks Academy and KZN Rugby Union, which have been involved since the festival's inception. The Halfway Motor Group has remained a major sponsor and we thank them for their continued support.

Fixtures and festival information are available on <https://www.kearsney.com/college/kerf/> and, for those unable to attend the festival, it will be live streamed on the SuperSport Schools app or website.

Kearsney Easter Rugby Festival is going cashless

Please note that the Kearsney Easter Rugby Festival will be going cashless. All who are visiting campus are advised that purchases for food, drinks and merchandise can be made by card or with the SnapScan app. You are encouraged to download the app onto your mobile device before you arrive at the festival. SnapScan is free to use and works with any South African bank, and most international credit cards.

KZN Golf Selections

Our 1st Team played in an event hosted by the KZN Golf Union at Kloof on Monday 30 January. There was some great golf on the day and our A team finished in 4th place with the A team having the best team score for the afternoon round.

This event also served as trials for the KZN Southern Coastal teams. Congratulations to Reece Brown who was ranked No 1 in the team and to Tyron Keylock, Matthew Gouws and Luc-Michael Jonker for their selection to KZN Southern Coastal teams.

L-R: Reece Brown, Tyron Keylock, Matthew Gouws and Luc-Michael Jonker.

Canoeing

Kearsney at the Dusi

Four Kearsney boys completed this year's Dusi Canoe Marathon, despite the abnormally high water levels. Exceptionally high water on days 2 and 3 made just finishing this year's race an incredible achievement. Day 3 is usually raced on a river with 35-40 cumecs; this year it was 110 cumecs.

Rory Treleaven and his cousin Ben Tarr won the U23 K2 category, in a time of 9:04:28. Their overall position was 62nd. Liam Calenborne paddled with Kearsney teacher Mr Steve Main, to finish 5th in their Senior K2 category; and 119th overall. Their time was 10:04:02. Also competing in the Senior K2 category were Oliver Hind and his father Norman, who finished 19th, and Raine Scoular and his father Gary, who finished 20th. Their times were 11:25:47 and 11:38:07 respectively.

Liam Calenborne & Steve Main.

U23 K2 winners Ben Tarr & Rory Treleaven.

KEARSNEY COLLEGE

Carpe Diem

Cricket

Mr Dean Moodley, MIC - Cricket, reports.

1st team festival -
Ihlobo Cricket Festival

Kearsney participated in the Ihlobo Cricket Festival hosted by Michaelhouse this year, from 10 to 13 January. The Kearsney 1st XI beat St John's by 5 wickets in a T20 game, drew against St John's College (Zimbabwe) in a 2-day declaration game [Coetzee 148*, Veenstra 64, Bishop 52, Coetzee 5/49, Browning 5/34], beat Falcon College (Zimbabwe) by 9 wickets [Bishop 132, Coetzee 4/42] and beat Michaelhouse by 171 runs in a 50-over game [Bishop 157, de Beer 77, Coetzee 4/23]. We were pleased with this magnificent set of results in this season-starting festival.

Inter-school season

Kearsney played Michaelhouse in the first game of the regular season and we won 7 out of the 12 games, with the 1st XI, U16A and U15A all recording impressive wins. The second and third fixtures against Glenwood and DHS brought more success as we won 18 out of the 22 games played. Five games were abandoned during the Hilton fixture due to rain, but 3 games were won and 3 lost. The clash with Westville Boys' High is always an entertaining encounter but sadly 5 of the 10 games played were abandoned due

to rain. Kearsney won 3 games and lost 2. Fixtures against Clifton are scheduled during the last week of the summer sports programme.

KZN High Schools Cricket
Association W100

The KZN High Schools Cricket Association W100 competition took place again this year and included the 1st XI, 2nd XI/U16A, U15A and U14A teams. While the 1st XI recorded wins against DHS, Westville Boys', Northwood and Clifton College, the other teams performed admirably despite losing their matches. All games against Glenwood were abandoned due to rain. The 1st XI qualified to play the final against Westville Boys' at Kingsmead on Thursday 02 March, where they fell just short on the night.

On Thursday 16th February, The Dolphins hosted a cricket coaches forum discussion at Kearsney in the Greyhound Pavilion. Imraan Khan (Dolphins Head Coach) and Mduduzi Mbatha (Assistant Coach) discussed their views on 'Facing the New Ball' with Kearsney coaches and coaches from the surrounding area.

The 1st XI participated in the St Alban's Cricket Festival in Pretoria from 23 to 26 March and experienced some mixed results against top opposition. After losing to St Andrew's and St Stithians on the opening two days, the team bounced back nicely and beat Cornwall Hill by 4 wickets (Coetzee 57) and the hosts St Alban's by 110 runs (Bishop 102).

Basketball Term 1

Kearsney basketball is in a good position with the numbers continuing to grow in line with the trend in many South African schools. We fielded 21 teams each week, with enough left over in the senior age group to make three more teams, almost half of the boys at the College now play basketball.

The season started with our annual pre-season camp, which was well attended by boys of all age groups and gave us a good start to the season. We participated in several basketball tournaments this season. The U14s and 1st team took part in the Jenny Orchard Invitation Tournament hosted by Maritzburg College. The 1st team finished third - their best placing since we began participating in the tournament and, the U14As won the U14 tournament with a dominant display. The U16As participated in the St Stithians U16 Tournament in Johannesburg and, while they played hard, they did not progress to the top half of the tournament. The 1st team and U15As played in the St John's Tournament in Johannesburg. The U15s managed 10th place out of twenty schools, and the 1st Team finished 4th out of twenty schools, knocking the favourites KES out of the tournament in the quarter-finals. The 1st team was awarded the spirit trophy, which is voted for by the other teams, tournament organisers and officials for the team that showed the best spirit, teamwork and values for their school and the sport and showing respect to the opposition and officials. In my opinion, this summarises the 1st team this year. They have been wonderful ambassadors for the College and their families.

This year we had a large number of new staff join the basketball programme and they have added great value to basketball. I like to thank all of the staff, old and new, for helping to make the start of the year memorable. In my opinion, we have the best team of basketball staff in the country.

KZN Basketball Selections

The following boys were selected for the LMSBA KZN:

- U19A team: Njabulo Ngcobo, Ayanda Jackson
- U19B team: Oliver Brazier, Andile Nomvete, Luca Borrageiro
- U16A team: James Hastings-Brown

L-R: James Hastings-Brown, Njabulo Ngcobo, Ayande Jackson, Oliver Brazier, Andile Nomvete and Luca Borrageiro.

Luca Sandri awarded the Jollands Cup for the Senior Victor Ludorum

Swimming

Report by Mrs Charmaine Vermeulen.

The swimming season kicked off with the Inter-house gala on 02 February. It was an evening of exciting swimming which saw Fingingley emerge victorious over Gillingham and Pembroke and Sheffield battle it out for third and fourth place respectively. Outstanding performances on the evening saw Luca Sandri awarded the Jollands Cup for the Senior Victor Ludorum and James Beningfield the Wessels Trophy for the Junior Victor Ludorum.

The team left the following day to tour Gauteng, swimming in both the Affies and Alan Burt galas. Although the competition was tough, the boys acquitted themselves well and showed true fighting spirit.

The team participated in four local galas this term – the St Anne's co-educational gala, the Nestor Pierides gala (Westville), the D&D gala and finally the Top 10 gala, on 28 February. Despite many challenges, the boys gave their best event after event and gala after gala. We thank Mr Gregg Higgs for his involvement with the school's swimming team this term.

1st team goalkeeper, Elihle Hadebe.

Water Polo

Report by Mr Pierre le Roux.

Kearsney College Water Polo has continued to go from strength to strength over the past six months. The season kicked off in September 2022 with some incredible performance across all teams. The U14 Team were crowned KZN Champions for 2022, winning the Gold Medal at the KZN Top 10 tournament. The 1st Team secured a bronze medal at the Knights Stayers' Tournament at the end of 2022.

Kearsney had eleven (11) players selected across the various KZN A Teams which competed in the Inter-Provincial Water Polo Tournaments in December 2022. Kearsney College hosted the U16 section, which was won by KZN. Three Kearsney boys were playing in this team (Blake, Kruger, Elihle Hadebe and Ryan Sim) and they were coached by Kearsney Staff: Mr Pierre le Roux (Head coach) and Mr Brad Savage-Reid (Assistant-coach).

The start of 2023 was a continuation of the end of 2022. After three away fixtures, Kearsney had only suffered one loss across all teams. With Term 1 being such a short term, and only 4 fixtures being played, the tours across South Africa to the various National Tournaments were the main focus for the Kearsney teams. The 1st Team secured 4th out of 16 at the 47th VIDES Tournament (East London) and 6th out of 20 at the Reef Cup (Johannesburg). The U15 team placed 3rd in SA at the Indigo National Tournament (Johannesburg) and the U14 team secured 3 wins and a draw from their seven games played at the Ken Short Water Polo Festival (Johannesburg).

Congratulations to the 1st water polo team, who finished 4th in the VIDES 1st Team National Tournament. James Pohl (Gr 10) and Blake Kruger (Gr 11) were selected for the All-Star Tournament Team.

Gerrie Berner Tennis Festival

Report by Coach Mr Naresh Mahabeer.

The Gerrie Berner Tennis Festival took place from 16 to 18 February. This tournament has been running for 17 years and the top 12 tennis-playing schools in South Africa are invited to this prestigious event.

The following boys represented the Kearsney College 1st Tennis Team: Caleb Fyvie (Captain), Finn Coningham, Keegan Gevers, Ryan Smith, Angus Fyvie, Connor van Heerden and Jason Denekamp.

In the round-robin phase, Kearsney lost to Grey College, Hoërskool Waterkloof, Outeniqua and Affies (Afrikaanse Seuns Hoërskool) in hard-fought matches. Kearsney beat Hoërskool Stellenbosch, despite extremely windy conditions, and showed resilience as a team. In the crossover section, Kearsney beat King Edward School VII (KES) and Oakdale College, displaying determination. Kearsney finished in 9th place. The exposure to the high level of tennis has added a new depth to Kearsney tennis and the experience bodes well for the team in the upcoming tournaments this year.

KZN Tennis Selections

Congratulations to Angus Fyvie (KZN U15B), Luca Gai-Minetti (KZN U15 B), Caleb Fyvie (KZN U18A), Connor van Heerden (KZN U15B) and Jason Denekamp (KZN U15A), absent.

KZN Swimming selection

Congratulations to James Beningfield for his selection to the KZN U15 swimming team. James will represent our province in the SA National Schools swimming competition to be held at Kings Park Pool from 20 to 23 April 2023.

St Andrew's Squash Tournament

The College's 1st squash team travelled to the annual St Andrew's Festival in Bloemfontein over the weekend of 10 to 12 February. The event now in its 29th year, attracted 28 boys' school teams from across the country. Our boys achieved the following results against some of the top sides at the event:

St Stithians College – won 6/0
Kingswood College – won 5/1
Grey College – lost 5/1
Pretoria Boys High – lost 4/2
St John's College – drew 3/3

BY ORDER OF THE PEAKY BLINDERS

Matric Dance 2023, Friday 03 March.

A beautiful setting was created in the Henderson Hall for a special evening in the life on the Kearsney Grade 12 boys and their partners. The Matric Dance theme was Peaky Blinders, which transported guests to the Garrison Tavern in Birmingham, UK, in the late 1800s.

We thank the parents who assisted Mrs Fiona Prinsloo, Mrs Vanessa Govender and our Estates team and catering staff for helping to create the atmosphere. Grade 11 boys volunteered to be waiters on the evening and we thank them for their contribution to a happy evening.

The Matric boys were grateful for all that was set up for the event and wonderful meal served on the night.

The Parents' Society held their annual ball the following evening and tickets for the occasion were snapped up. Having this event in the same venue as the Matric Dance assist in keeping costs down for both events.

KEARSNEY COLLEGE OLD BOYS

KCOB Basketball Game

On Saturday 28 January, KCOB Basketball players from various years came to "shoot a few hoops" with the Kearsney players. The SportZone was packed full of eager spectators and war cries were chanted as two games were played.

The results were:
First Team: 56 – 73 (KCOB won)
Second Team: 40 – 20 (Kearsney won)

Thank you to MIC of Basketball, Mr Myles Delport, and his son, Michael Delport (Gillingham 2020), for coordinating this enjoyable event.

Top: 1st teams; bottom: 2nd teams.

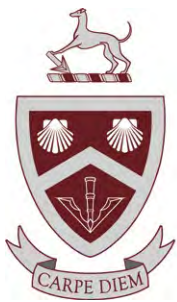

KCOB Gauteng Branch Function

Our Gauteng-based KCOB gathered at The Bull Run Restaurant in Sandton on 03 February for an evening of reconnecting and to meet Kearsney's eighth headmaster, Mr Patrick Lees and his wife, Mrs Sarah Lees.

KCOB class groups ranging from 1968 to 2022 attended, sharing stories of yesteryear and their time at the College.

Thank you to the KCOB Vice President, and Gauteng Branch Chairman, Mhlangenkululeko Siwisa (Finningley, 2001) for arranging this exceptional evening.

KEARSNEY COLLEGE Foundation

Class Funds – *I am because we are*

A special thank you to our monthly Class Fund donors; many have been donating for many years. Class Fund donations benefit the Kearsney Bursary and Scholarship programme. The fund allows the College to attract boys with exceptional talent and support boys who require financial assistance.

Collective giving through class funds is a way many people can make a difference by giving back; gifts can start at R50 per month via debit order.

In the run-up to the 2023 Founders Week celebrations, we encourage the anniversary years to challenge each other and see how many new sign-ups each group can achieve. If a class year does not have a class fund, we can help to set one up.

Please contact Shantell van Jaarsveld at SvanJaarsveld@kearsney.com or call 031 765 9627.

Support our school by supporting MySchool and School-Days

Funds raised the loyalty programmes **MySchool** and **School-Days**, which we are registered with, are allocated to the Kearsney College Bursary and Scholarship Fund. It would be wonderful to see the number of supporters for the School-Days programme grow. There is no cost to contributing. Please visit www.schooldays.co.za for more details.

To register for MySchool follow this link <https://www.myschool.co.za/portal/register> or contact the Foundation Office with any queries you may have on foundation@kearsney.com.

Thought for the Moment

"you too are being built together with all the others into a place where God lives through his Spirit"
Ephesians 2:22

I have never been very good at doing puzzles, and you won't find me poring over a 5000-piece puzzle during the school holidays. But what I do like about puzzles is how they remind us that the individual piece works best when it finds its place within the whole, as part of a bigger picture. One piece of a puzzle can do nothing on its own. And a puzzle with a missing piece is not complete. So it is with us, we all have our own wonderful and unique story and journey, but we belong to something bigger than ourselves, we belong to each other and in God, we find our place within the whole. The apostle Paul says we are being built together to become a place where God dwells. May you know the gift of belonging – to God and each other – as you add the piece of your unique story to the big picture.

Rev. Kym Bishop
Chaplain
